

What AirMed Can Do For You

- ♥ **Evacuation and Repatriation**
- ♥ **Transport Services**
- ♥ **Foreign Travel and Threat Assessment**
- ♥ **Medical Monitoring and Consultation**
- ♥ **Medical Services Hotline**
- ♥ **Transport of Mortal Remains**

Why You Should Choose US

AirMed Internationals' dedicated team is committed to your transportation needs when it matters most.

We own and operate our own jets and can be wheels up for you in less than two hours.

Our seasoned professionals specialize in the logistics of air medical transport as well as organ procurement transports.

We are equipped for every scenario.

About AirMed International

- ♥ AirMed is the most trusted name in the air ambulance industry. We are prepared for every transport from premature babies to mortal remains.
- ♥ We coordinate all ground transport arrangements from the sending facility to the airport and from the airport to the receiving facility (when using a Fixed Wing Aircraft).
- ♥ Our goal is to provide you with the information you will need in order for you to quickly confirm with the receiving facility arrival of the patient at the receiving facility within the agreed upon timeframe.
- ♥ Our goal is to provide you, your team and your patients with exemplary emergency air medical transportation arrangements, quality communication and quality patient care.

We pride ourselves on having an open, direct and responsive communication with our callers.
